

27 EXHIBITORS SINGLED OUT FOR AWARDS AT AUTOMECHANIKA SA

Judges singled out 27 stands from a total of 421 displays for gold or silver awards at a prize giving ceremony held at the end of the inaugural Automechanika South Africa automotive trade show, which ended today (Saturday, March 21) at the MTN Exp Centre, Nasrec, Johannesburg.

Representatives of 21 of these companies were presented with gold awards and six displays qualified for silver awards. Although there was no overall award, the managing director of the organising company, Dogan Trading, Pula Dippenaar, said it would have gone to the Motor Industry Staff Association (MISA) display which was "outstanding: in every aspect in which an exhibition stand is evaluated.
